Subject: JPIC JUNE Newsletter

Greetings all,

As we celebrate **WORLD ENVIRONMENT DAY** on 5th June and the **Second Anniversary of release of the Encyclical LAUDATO SI'** on 18th June, geologist Peter Clarke reflects on the destructive use of fossil fuels to satisfy our energy needs, and the challenge of Laudato Si to turn away from this practice to a more renewable and sustainable future.

Carmelite Justice, Peace & Integrity of Creation Team

Peter, Agedo, Paul and Gabrielle

"We know that technology, based on the use of highly polluting fossil fuels - especially coal, but also oil and to a lesser degree, gas, needs to be progressively replaced without delay. Laudato Si - Care for Our Common Home - Para 165.
